

**Provincial Communications Communiqué #3**  
**November 12, 2011**

Welcome back from another year of working for God and Canada. You are now able to go on [www.cwl.ns.ca](http://www.cwl.ns.ca) and access not only your Provincial Communications chairperson's most recent Communiqué and its attachments but also other communiqués from your provincial executive. The first attachment is an article on *The Pros and Cons of Facebook* from the Vancouver CWL website. It is a very interesting article. The second attachment is from my own St. Benedict's Council. It is an example of our fall newsletter produced by Anne MacMillan, our parish communications chairperson. It could be used as a guide for any council that wants to produce a newsletter.

Mary Nordick's second national communiqué is now on the website. She congratulates all provincial councils who have websites. As you can see our website is now up and running. Please encourage members and councils to log on and have a browse. I am always happy to receive news items for the website.

Please encourage the use of media in our councils. Promote the Catholic media such as the *Prairie Messenger*, *Salt & Light Television*, read publications from the *Canadian Conference of Catholic Bishops (CCCCB)* and *Catholic Organization for Life and Family (COLF)* or the *Canadian Catholic Organization for Development and Peace (CCODP)*. COLF just released a new publication titled *Families did you know? Love is calling your children*. This is a look at Christian vocations. The publication can be downloaded from the website [www.colf.ca](http://www.colf.ca) or copies can be ordered from the website. Remember that the League will again be sponsoring the televised mass on April 26, 2012.

Please promote the monthly *Be League* e-newsletter. It is published on the League Web site on the 15<sup>th</sup> of each month. This year *Be League* is featuring a different provincial council's aspirations, dreams, projects and response to the Women Against Poverty project and Change for Change each month. *Be League* is member driven, so please submit articles that you would like to see.

Connie Lai Fatt  
Provincial Communications Chairperson
